Any Woman Can Have Beautiful Hair

Many women do not realize the attractions they possess because they do not give proper attention to the hair.

The women of Paris are famed for their beauty, not because their facial features are superior to those of other women, but because they know how to keep young by supplying vigor, luster and strength to the hair.

Three years ago Parisian Sage could hardly be obtained in America. But now this delightful hair tonic and dressing can be had in every town in America. The Mayo Drug Co. sell it for 50 cents a large bottle, and they guarantee it to grow beautiful, luxuriant hair; to turn dull, lifeless hair into lustrous hair; to stop falling hair; to stop itching of the scalp. How to Cure Eczema, Pimples and Dandruff

We desire to say that when we took the agency for ZEMO, we were convinced that it was a valuable remedy for Eczema, Pimples and Dandruff. Yet, we must frankly admit that Zemo has far exceeded our expectations as a treatment for skin diseases. We are pleased to state that we shall continue the agency as ZEMO has given splendid results wherever recommended. Our customers like ZEMO too, because it is a clean vegetable liquid for external use. ZEMO effects its cures by drawing to the surface of the skin and destroying the germ life that causes the disease, leaving the skin clear and healthy. It does not soil the clothing or linen and can be used freely on infants. With every purchase, we give a booklet on skin diseases explaining in simple words how any person can be cured of home of any form of skin or scalp diseases by this clean, scientific remedy. L. E. MAYFIELD, Druggist.
